

Kulaluk Rezoning April 2013

Development Assessment Services are currently processing an application seeking an Exceptional Development Permit for a stockpile of fill on Lot 5182 Town of Darwin. Therefore the Office of the Hon Peter Chandler MLA has forwarded to me your letter in relation to the application.

The application will be on public exhibition from 5 April 2013 until 3 May 2013 in which time members of the public can lodge submission in relation to the application.

A letter will be dealt with as a public submission and you will be invited to attend a hearing to discuss your concerns at the close of the exhibition period. If you have any concerns with the process suggested above and wish to be dealt with in another manner, please contact me.

Kind regards,

Hanna Stevenson | Manager Urban Planning | Development Assessment Services
Department of Lands, Planning and the Environment
